OBJECTIVE

As a recent Computer Science graduate, I bring a strong foundation in programming, problem-solving, and algorithm. Eager to excel in an entry-level role where I can leverage my expertise in Competitive Programming, Data Structures and Algorithms (DSA), Object-Oriented Programming (OOP), and Database skills (MySQL). Committed to continuous learning and collaboration, with a proven track record on platforms like [Codeforces](#) rating: 1150, [Codechef](#) 2-star.

PROJECTS:

Hotel Reservation System(MVT):
